CHG007 Dundee Carers – Wrighting Wrongs

The project proposes creating an online e-learning module based on Roger Illsley's book about the Wright dynasty and their contribution to Dundee's historic built environment. The module will use historic maps, photographs and storytelling to increase understanding of Dundee's heritage through accessible digital learning aimed at wider audiences including young people and those unable to visit sites physically.

Grant eligible costs: £7,126

Grant requested: £4,062

Trustees present agreed to fund this project at 49% which is £3,471.

Gordon MacDougall was not able to attend the meeting but had already given his agreement.
